FOR IMMEDIATE RELEASE

A children's book that provides a realistic insight on maintaining an awareness about the actions of bullies, and how to have self-control when being approached.

This fictional children's book "**From Bully To Friend**" ISBN: 978-1946746801 represents how the real world of degrading and belittlement can often cause peer pressure, and yet having a little fictional hero named Omar in the story deliver a dynamic message about encouragement and positivity.

The author, Barbara Jones-Wilson delivers an insightful presentation on how one can overcome his or her fears of being a victim to becoming victorious without retaliating physically in this book.

Barbara Jones-Wilson resides in Toledo, Ohio. She is a screenwriter, songwriter, and now a first-time author, who is the sister of the late Ernie Jones, a prominent artist in the city of Toledo, and the surrounding areas.

"From Bully To Friend" is the author's first children's book released. The author wants children of all ages to know that whatever the obstacles or challenges they might face, they can be able to overcome it without violence.
